A screenshot of a dialog box titled "Select Email Client" with a close button (X) in the top right corner. The text inside reads: "Please indicate the option which best describes how you send mail." There are two radio button options: "Desktop Email Application" (which is selected) and "Internet Email". Below "Desktop Email Application" is the text: "Choose this option if you currently use an email application such as Microsoft Outlook, Eudora, or Mail." Below "Internet Email" is the text: "Choose this option if you currently use an Internet email service such as Yahoo or Microsoft Hotmail. You will then need to save your form and return it manually to SylviaBills@tannerchapel.org; rharry49@cox.net using your Internet email service." At the bottom left is a checkbox labeled "Don't show again" which is unchecked. At the bottom right are two buttons: "OK" and "Cancel".

Note, particularly, that if you use a service such as [AOL](#), [Gmail](#), [Yahoo](#), [MS Mail](#) or [Hotmail](#), you must save your form (using your file name) and return the file manually to: sylviabills@tannerchapel.org **AND** rharry49@cox.net.

If you have additional questions you may contact the church office or me at my email address rharry49@cox.net.

After sending the form, I strongly recommend you follow up with the church office to make sure your application has been received.

All this must be done before the deadline of January 31, 2012.
